Dear Madam,

I offer my sincere thanks to Dr. Sammaia Papiah and Dr. Walebai R. Rymbai and their team that was present on that day to provide the best of the treatment to the patients. Its being a proud moment for us to serve the society along with such a great team of your organization.

I would also like to mention that the camp has made a great impact in the locality and we have received many proposals from the local people to conduct more of such camps in other areas of Shillong. In this regards, I would like to request you that kindly to allow us to conduct more of such Medical Camps on a monthly basis in other localities so that we can serve more people.
